

Spectrum Migrant Resource Centre and the Mental Illness Fellowship of Victoria present

Mental Health and Mental Illness in the Sudanese Community

Saturday 9th of August 2008
10:00am – 3:00pm (lunch provided)

Spectrum Migrant Resource Centre
187-198 High Street Thomastown, 3074

This free workshop aims to unite service providers and members of the Sudanese community to explore issues of mental health and mental illness.

Topics include:

- Sudanese conceptualisations of mental health and mental illness
- Barriers to service utilization
- Indigenous coping mechanisms in Sudanese culture

This is a great opportunity to network with the Sudanese community and increase understanding of mental health issues within the Sudanese community.

For more information or to reserve your attendance (please reserve by Monday 4th of August) contact:
