Big Porn Inc

Exposing the Harms of the Global Pornography Industry

edited by Canberra author, speaker and media commentator **Melinda Tankard Reist** and Western Australian author and academic **Abigail Bray**

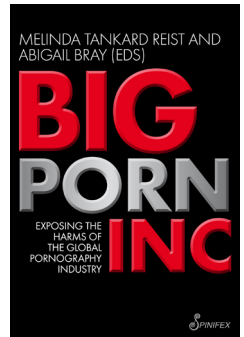

Big Porn Inc is an exposé of the hidden realities of the global industry that promotes itself as a fashionable lifestyle choice. Unmasking the lies behind the selling of porn as ‘just a bit of fun’, *Big Porn Inc* reveals an industry that trades in violence, crime and degradation.

*“This powerful and humane book is a breakthrough. Like Rachel Carson’s *Silent Spring* which began the environmental movement, *Big Porn Inc* shows us we are poisoning our own spirits” - Steve Biddulph*
