**Koori Heritage Trust, The Yarra Building, Federation Square, Flinders St &  
Swanston St, Melbourne, VIC.**

This year's annual Social Determinants of Health Alliance (SDOHA) Anti-Poverty Week Oration will be delivered by Prof John Eastwood, Director of the Central Sydney Healthy Homes and Neighbourhoods Integrated Care Initiative, describing sector wide approaches that aim to break intergenerational cycles of poverty and poor life outcomes. The Oration will pick up from Professor Sir Michael Marmot's recent statement that "Poverty is not Destiny" and describe local evidence-informed interventions that moderate the impact of social determinants of health in homes and neighbourhoods.

Professor Eastwood's Oration will focus on the emerging promise of interagency interventions to building "Community Nests" and child and family resiliency.
