Q&A with an expert panel of psychologists and youth counsellors to follow the film

Are you watching kids scroll through their lives?

SCREENAGERS is a compelling and insightful documentary about bringing up kids in the digital age.

Award-winning SCREENAGERS probes into the vulnerable corners of family life, including the director's own, and depicts messy struggles over social media, video games, academics and internet addiction. Through poignant, and unexpectedly funny stories, along with surprising insights from authors, psychologists and brain scientists, SCREENAGERS reveals how tech time impacts kids' development and offers solutions on how adults can empower kids to best navigate the digital world.

A Q&A session will follow the screening. Expert panellists will facilitate an open conversation about the challenges of bringing up young people in the digital age.

Panellists:

- Cyber safety expert **Robyn Treyvaud** from Cyber Safe Kids
- Psychologist **Tena Davies**
- Teen expert **Sharon Witt** (Teentalk, Girlwise and Guywise author)
- Victoria Police cyber expert to be confirmed.

Young people are very welcome and bringing your teen along can help to open up some honest discussions about this important issue that impacts us all.
