SEMINAR SERIES

Decolonising psychology and the transformative role of the Australian Indigenous Psychology Education Project

Professor Pat Dudgeon

is a Bardi woman from the Kimberley, Western Australia. Pat is recognised as being among the leading world experts on social and emotional wellbeing and suicide prevention. She specialises in Indigenous psychology, mental health, and education

Belle Selkirk

is a Noongar woman from the South-West of Western Australia. She is connected to her culture through her grandmother, Lyla Hume, who has been a strong role model in her life. She grew up on Wadandi Boodja (country) as a child, then relocated to Whadjuk Boodja (Perth) as a young adult to study psychology.

Dr Joanna Alexi

is a Postdoctoral Research Associate at the Poche Centre for Indigenous Health, School of Indigenous Studies, at the University of Western Australia. She works in Professor Pat Dudgeon's team on the Transforming Indigenous Mental Health and Wellbeing Project.

Thursday 24th March 1- 230pm

free zoom presentation & all are welcome
