 **September 1–4, 2026 | Lagos, Nigeria**

 **Hosted by Lagos State University (LASU)**

 <https://iccpLAGOS.com/proposals/>

### Join Us in Lagos!

We invite you to be part of the **11th International Conference of Community Psychology (ICCP 2026)**, taking place in Lagos, Nigeria, from **September 1–4, 2026**.

This global gathering will bring together scholars, practitioners, artists, and community builders to engage in dialogue, reflection, and collective action. We welcome abstract submissions that address **critical issues, transformative practices, and innovative approaches** in community psychology and allied disciplines.

### Conference Themes

Abstracts are encouraged in alignment with the following themes:

- The contribution of **Africanist scholarship** to global community psychology
- **Pathways to healing** from colonization, imperialism, and slavery
- **Community psychology and the science of biodiversity**: the role of earthly and elemental forces
- **Human Service and African-Centric Paradigms**: stretching the limits of imagination
- **Diverse approaches to research**, including critical perspectives on AI, data science, algorithms

### Submission Types

We invite creative, scholarly, and practice-based contributions in the following formats:

- **Nia Magic** – Roundtable discussions fostering collaborative dialogue
- **Ananse: The Web of Knowledge** – Symposium presentations and exchange of ideas
- **Letsema** – Interactive workshops or hands-on learning sessions
- **Bashiri: The Circle of Creators and Griots** – Ignite sessions: concise, fast-paced presentations that inspire conversation
- **Akukọ Ifọ N'Onwa (Tales by the Moonlight)** – Immersive creative sessions using storytelling, spoken word, poetry, or visual arts to foster reflection and moral dialogue
- **Timbuktu: A Gathering of Minds** – Exhibition spaces to showcase products, services, and promotional materials

For detailed descriptions and submission guidelines, please visit:  <https://iccpLAGOS.com/proposals/>

**Ready to Share Your Work? [Submit your abstract today!](https://iccpLAGOS.com/proposals/)**

We look forward to your participation and to gathering together in the Motherland — to celebrate, connect, and reimagine the future of community psychology.
