3.15pm Panel Session  
***Community Spaces and Places in a Connected  
World***  
A panel discussion by all our speakers on the topic  
of cultural institutions as learning spaces and places,  
social media as a learning space and place and the  
junction between the two. Discussion might centre  
on the uptake of technology by our clients and how  
we, as cultural and learning organisations, can  
engage with our clients in this space.

4.45pm **Close**
