graduated library
professionals

“When I applied for the award last year, I thought it would be a nice thing to add to my CV. I completely underestimated how valuable it would be. Winning the award gave me confidence to apply for opportunities I never would have otherwise considered. It's opened doors to rewarding experiences. Not to mention the fantastic networking and PD available with an ALIA membership! I encourage recent Library & Information Studies graduates who want to make a difference, to apply.”
